PITCHING STAGE SESSION

The **Triple Helix Association** together with **La Salle – Ramon Llull University** invite you to the **XXI Triple Helix Conference** “Entrepreneurial and Engaged Universities for Sustainable Development - Linking education, research and innovation to achieve the SDGs and ESGs” which will be held in Barcelona in the 26th to the 29th of June 2023.

Increasingly, global social, economic, and environmental challenges demand greater inclusion, competitiveness, and sustainability from communities, which calls for rapid adaptation to these changes. Innovation emerges as one of the main tools to respond to these demands through agile ecosystems that provide comprehensive solutions for a sustainable development with Triple, Quadruple and Quintuple Helix strategies and actions.

The Triple Helix Conference aims at providing an international and multidisciplinary venue with outstanding scholars, policy makers and practitioners for discussing and advancing our understanding of the SDGs and ESGs challenges and solutions, and the relationship between entrepreneurial Universities, smart Governments, efficient Industry and committed Civil Society.

The Conference will be held at **La Salle – Ramon Llull University** campus giving the opportunity to explore the **Ecosystem of Innovation of Barcelona**, a global reference of the Smart City as a platform of the knowledge economy and society.

PITCHING STAGE SESSION

Itinerant exhibition of 15 minutes per person, where elevator pitch of innovative, entrepreneurial, and sustainable projects will be presented. In addition to the verbal presentation, certain key images may be shown to give strength to what has been said, but always respecting the proposed time.
