**CALL FOR DOCTORAL
CONSORTIUM**

CALL FOR PARTICIPATION: DOCTORAL CONSORTIUM

We invite you to participate in the **Triple Helix DOCTORAL CONSORTIUM** at the Triple Helix conference on June 26th from 9 am to 1:00 pm. The Doctoral Consortium provides a unique opportunity for students close to finishing their doctorate degree, to interact with experienced researchers in Triple Helix vision.

As part of the pre-conference activities of the **Triple Helix XXI conference at La Salle – Ramon Llull University (Spain)**, we are organizing a **DOCTORAL CONSORTIUM** as a **forum for discussion to advanced-stage doctoral students engaged in the following research areas:**

- Governance models and policy design for triple helix initiatives for SDG's.
- Partnership and Pacts for innovation.
- Boosting ecological transition with TH strategies.
- The fourth industrial revolution, innovation mega trends and new challenges through TH approaches.
- Innovation Ecosystems for urban, economic, and social development.
- Sustainable Cities & Communities
- The role of universities in connecting local communities with global knowledge networks • Network Intelligence to boost innovation ecosystems. • Responsible consumption, production, and work
- TH strategies in developing countries.
- Entrepreneurship education in the context of TH approaches
- Open Innovation for the economic, social & environmental development
- Gender balance and reduction of inequalities
- Well-being societies
- Data driven strategies for SDG's.
- Hybrid organizations for knowledge co-creation, innovation, entrepreneurship for sustainability.
- Theoretical foundations and methodological approaches for TH research.
- Evaluating the impact of TH initiatives.

We offers to PhD students an opportunity to present their research in progress and receive feedback and comments from senior faculty and editors of Triple Helix Journal. We are looking for 12 extended abstracts of great potential focused on these topics.

The **DOCTORAL CONSORTIUM** will consist of four consecutive sessions of one hour and at each session 3 PhD projects will be presented simultaneously (totally 12 projects). Each student will have 20 minutes for a presentation and at the end of each session, 20 minutes will be allocated for questions/feedback from the faculty.
